Vernon Parish School System's Acceptable Use Policy
Leesville High School
Letter to Parents or Guardians

The Vernon Parish School System is pleased to announce the establishment of Internet services for students. The internet is a global network that will provide your child with access to a wide range of information from throughout the world. Your child will also be able to communicate with people from throughout the world. Use of the Internet for educational projects will assist in preparing your child for success in life and work in the 21st century.

It is possible that your child may find material on the internet that you would consider objectionable. The Vernon Parish Acceptable Use Policy restricts access to material that is inappropriate in the school environment. Although your student's use of the internet will be supervised by staff, we cannot guarantee that you child will not gain access to inappropriate material. There may be additional kinds of material on the internet that are not in accord with your family values. We would like to encourage you to use this as an opportunity to have a discussion with your child about your family values and your expectations about how these values should guide your child's activities while they are on the internet.

You have the option of requesting that your child not be provided with access to the internet. Please contact the school if you have any questions.
